

SPRING 1994 RELEASES

CD-ROM

THE 11TH HOUR™

The 11th Hour™ is the eagerly awaited sequel to the best-selling CD-ROM entertainment product ever.

So detailed and deep it takes two CDs to play it, *The 11th Hour™* includes an unprecedented sixty minutes of live-action video and sets new standards in cinematic reality.

Just like its award-winning predecessor, *The 7th Guest™*, you are compelled to return to the mad mansion of an evil toymaker, this time to decipher the whereabouts of missing reporter Robin Morales.

The stakes are higher, the puzzles more clever and the return visit more and more unsettling, as the mystery of the decaying house in this strangely quiet town is solved...by you.

FEATURES

- Two CD's include a groundbreaking full hour of live action video, professional actors, movie-like plot twists, special effects and music soundtrack
- Solve puzzles and investigate clues that will lead you through the town of Harley and the twenty-two dangerous rooms of Stauf's painstakingly rendered haunted mansion
- Use of Trilobyte's cutting edge second generation proprietary tools ensures faster, smoother scrolling and more eerie imagery than ever before possible
- On-line help feature

DEMOLITION MAN™

As seen on *Entertainment Tonight*—the most true-to-the movie interactive video game experience ever.

Sylvester Stallone and Wesley Snipes star in this futuristic movie adventure that actually lets you control digitized live action footage of Stallone as *Demolition Man*. Unbelievably real 3-D environments include props, costumes, sound effects and sci-fi gadgetry taken directly from Warner Bros.' blockbuster movie.

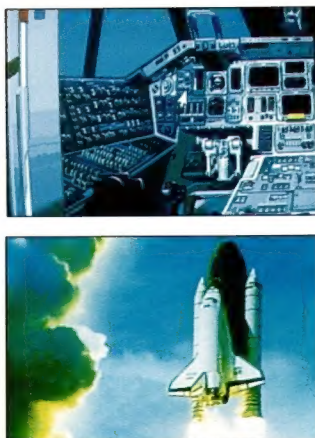

The year is 1996. John Spartan (Sylvester Stallone) is the one officer in the SAPD who always gets his man. The problem is too often he demolishes something in the process. That's why they call him Demolition Man. But when a building explodes during his arrest of Simon Phoenix (Wesley Snipes) and thirty bodies are found inside, Spartan is found guilty of manslaughter.

Placed in a Cryo-Prison where they are frozen for rehabilitation, cop and criminal have no idea they'll meet again in 2032. Now, in a place called San Angeles, they enter the future. A strange new world where weapons are outlawed, violence doesn't exist and only one thing is clear: the future's not big enough for the both of them.

FEATURES

- Cinematic quality digitized video with never-before-seen footage of Stallone and Snipes filmed especially for this interactive adventure.
- An arsenal of past and future weaponry including the Magnesium Themite Flare Lance and medieval cannons
- Mentally and physically challenging action pumped up with car chases and hand-to-hand combat
- Incredible cutting edge graphics, sound effects and 3-D rendered action that maximize 3DO's capabilities
- Advanced difficulty levels

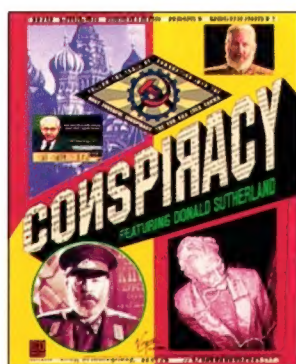

SHUTTLE™

Based on official government documents, SHUTTLE: THE SPACE FLIGHT SIMULATOR, is the most accurate and comprehensive simulation of NASA's space shuttle ever produced for any home computer. Featuring CD quality soundtrack with professionally narrated Mission Control, true-to-life scientific and spy missions, and an on-disc Space Encyclopedia.

CUSTOMER SERVICE CONNECTION

Virgin Interactive Entertainment has packed entertainment and excitement into every product in this catalog. In addition, each product comes with our commitment to customer support. Our customers have direct lines of communication to contact us about new orders, request hints, obtain replacements for defective products, or simply to ask a few questions.

ORDER LINE

Customers may order the hottest games and hint books directly with a VISA™, Mastercard™, or American Express™ by calling our toll free Order Line at 1-800 874-4607.

HINT LINE

After obtaining Excalibur and Arthur's Shield items required to slay the Shadowmaster in Vengeance of Excalibur, it can be quite frustrating to be missing the Citadel Scroll or Vincemus spell needed to complete the game-but not for long.

For hints and solutions to game levels and puzzles, players can turn to the Virgin Interactive Entertainment Hint Line at 1-900 288-4744. The Hint Line supports computer entertainment and cartridge-based video games alike. There is a 75-cent per minute charge to obtain these valuable clues. Callers under eighteen years of age must obtain permission from a parent or guardian before calling. Not all Virgin Interactive Entertainment titles are supported on The Hint Line.

TECHNICAL SUPPORT

For solutions to problems installing or running our products, customers may wish to contact the Virgin Interactive Entertainment Technical Support Team at 714 833-1999.

Our Technical Support Representatives are trained to answer your questions and solve hardware/software problems and incompatibilities over the telephone. Representatives are available Monday through Friday from 8 am to 5 pm Pacific Standard Time. There is no charge for this service beyond normal telephone charges. Customers will get the most benefit from this phone support by having their computer powered up and close at hand when calling.

CUSTOMER SERVICE

To obtain replacement of defective products, disk size exchanges, back-up copies, maps, manuals or hint books, contact Virgin Interactive Entertainment Customer Service department at 714 833.1999.

BULLETIN BOARD SYSTEM

For those who own computers equipped with a modem and telecommunications software, technical support and customer service can be brought into your home at 300 1200-2400 or up to 14.4 BPS from the Virgin Interactive Entertainment On-Line BBS 714 833-3305. Callers should set their telecommunications package to reflect 8 data bits, 1 stop bit no parity.

Customers may also mail correspondence to the appropriate department:
